Personal data

How personal data is processed is described in the privacy policy. Protective measures are listed on the Security page.

Privacy policy Security

Cookies

The public website sets no cookies. No analytics, advertising or tracking cookies are used, neither on the website, nor on the sign-in pages, nor in the customer area.

The sign-in and sign-up pages, then the customer area, only use sign-in session cookies, which are strictly necessary and inaccessible to scripts (HttpOnly), valid for 400 days at most and deleted when you sign out, plus a temporary cookie during sign-in with Google.

Your theme choice (light, dark or system) is kept in your browser, in localStorage, and is never sent anywhere.

Contact

For any question about the website: contact@wyrlo.io.
